ART EXPLOSION®
Greeting Card Factory® 2

Bigger selection. Better graphics. More ways to show you care.™

NEW VERSION!

DESCRIPTION

Now you can personalize and send the very best store-bought greeting cards with the purchase of just one software product. *Art Explosion Greeting Card Factory 2* has everything your customers need. It's the ultimate collection of absolutely charming cards, featuring beautiful graphics and heartfelt sentiments sure to express their innermost feelings every time.

Because *Greeting Card Factory* products are the only software products among leading print creativity titles to be built on a robust graphics engine, users are capable of achieving results never before possible with other products. Included are sophisticated drawing tools, gradients, transparency support, unparalleled text effects and much more.

What's more, *Greeting Card Factory 2* offers the biggest selection of store-bought greeting cards of any product at its price point and an unprecedented number of premium-quality graphics.

We've made the choice easier than ever. *Greeting Card Factory 2* is the most powerful, yet easy to use, greeting card software available.
